Learning Express Library

Learning Express Library provides online practice tests and tutorials designed to help library patrons, students, and adult learners prepare for academic or licensing tests that they must take. It provides immediate test scoring, explanations of the answers to all questions, and the opportunity to take the tests and tutorials multiple times.

Learning Express Library Practice Tests Include:

- GED (Science, Math, English)
- College Entrance Exams (ACT, SAT, GRE)
- Military Entrance Exam (ASVAB)
- Advanced Placement Subject Tests
- Elementary, Middle and High School Skills Improvement Tests (English, Math, History)
- Firefighter, Law Enforcement, and Emergency Medical Services Tests
- Teacher, Nursing, and Real Estate Certification Tests
- Job & Career Skills (Resume writing, interview skills etc.)
Test scores are given in numerical and percentage measurements.

Tests can be stopped and started as needed.

Tests can be scored at any time.

Test scores are analyzed by question topic.

Instructions are provided for each test.

Test questions are multiple choice.

Sample test questions:

1. In the diagram below, line \(AB\) is parallel to line \(CD\). Transversal \(MN\) intersects \(AB\) and \(CD\) at \(P\) and \(Q\) respectively. If \(m\angle APQ = 2x + 20\) and \(m\angle APO = 3x - 10\), what is \(m\angle SQM\)?

   - A. 34
   - B. 92
   - C. 88
   - D. 146
