

OverDrive Virtual Library

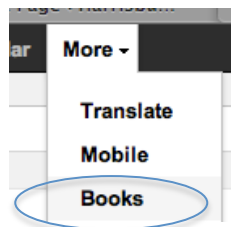

- **Cost** = \$4000/year of which \$2000 is credit toward books (this cost is for enrollment up to 2000 students).
- **What formats are available?** Kindle, ePub, PDF, WMA, and MP3.
- **Options for reading:** several eReaders including NOOK, Kindle, plus there is the option to use iPad, iPhone, iPod through OverDrive Media Console App or Kindle App. Students who only have a computer as their reading device use Adobe Digital Editions, Kindle for Mac (or Windows, etc.), and OverDrive Media Console.
- **Drawbacks?**
 - Libraries do not own the titles and they will be “lost” if the subscription is not continued.
 - Renewal is currently not an option. Patrons need to check out a book again if they haven’t finished or join the waiting list.
 - Patron data is not available for library personnel. (However, this is primarily due to the fact that Destiny is not compatible.)
 - Many eBooks are not available in WMA and MP3
- Creating the **Virtual Library** site.
- **Purchasing/managing** titles through Content Reserve and OverDrive Dashboard
- **Importing patrons** through Library Card Manager (only because Destiny is not compatible)
- How to **download books/read books!**

- **Free and Simple:** no logging in
- Books available in **multiple formats**, some classics are even available as audiobooks.

Google books

- Another option for free books
