

Virtual Library Permissions Students Grades 4-5

Elementary students in grades 4-5 may obtain access to books in the Harrisburg Schools Virtual Library.

- If you would like your child to have access to eBooks from our Virtual Library please select the level(s) below that they have permission from which to download.
- Parents may view the entire collection at <http://harrisburg.lib.overdrive.com> or from the eBooks link on the library website.
- All students will be able to view the covers and descriptions of the book, but they can only check out titles for which they have been granted permission.
- Currently the service is not available for students to students K-3 due to budget constraints. Some eBooks are available through our Destiny Quest Catalog at the primary level. The Quest link is found on the Library Page of each building.
- Contact Library Coordinator Cindy.DeWandel@k12.sd.us with any questions regarding this service.
